MESSAGE BY FATHER PRINCIPAL

Dear Parents, Teachers and Students,

If we want peace of mind and heart, we should not find fault with others. Rather see our own faults which will strengthen our emotional attitudes and will develop good social relationship. No one is a stranger. Learn to make the world your own. It is for your own good to love a dare-devil rather than a holy coward. A dare-devil is a unique devil, battling your fears, difficulties and conquering your uncertainties to fly high. Nothing is impossible if commitment and perseverance become tools towards the set aims.

All the best!

ONSET OF THE NEW SESSION

St. Conrad's Inter College commenced the new session with immense panache brimming with exuberance after the long and stifling Covid interlude which limited the school's activity to the minimum via online medium.

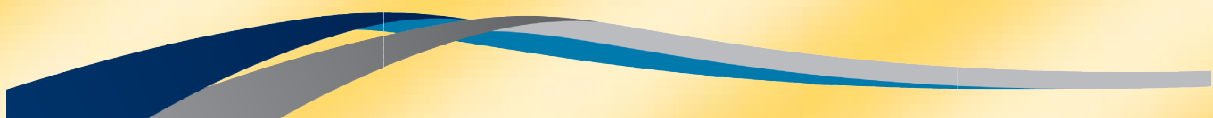

A fresh start greeted with innovative ideas brought vibrance to the academic and activity calendar. Several activities were conducted during the first quarter for the 'Activity School' students (Nursery to UKG) to warm them up and set the tone for the session. This fun filled roller coaster ride included 'Red Colour Day' (Nursery), 'Summer Fun Dance Party' (Nursery and LKG), 'Origami Boat Making Activity' (LKG) and 'Bindi Pasting Activity' (UKG). Mother's Day was also celebrated with great zeal which included activities like 'Hand Impression -Flower Pasting Activity' (Nursery), Thanda-Thanda-Cool-Cool Activity' (LKG), 'Button Pasting Activity' (UKG).

These activities offered the tiny tots an opportunity for play, learning and creative expression.

UNVEILING OF THE SCHOOL MAGAZINE

A school magazine embodies
the blossoming talents of

so many writers, thinkers, philosophers, debaters in the cradle. Flourishing the aspirations of our budding writers, the School magazine for the session was launched in the month of May. Students were elated to receive the first magazine post lockdown.

VIDHYA AARAMBH CEREMONY

Vidhya Aarambh is a unique initiative
and an exemplary tradition established
by St. Conrad's Inter College
which follows the ancient Indian tradition

of introducing young children into the world of knowledge, letters, and the process of learning. Through this process, the school welcomed the newly admitted tiny tots of Nursery with open hearts and made them feel comfortable with the norms and procedures of the school. The ceremony began with the lighting of the lamp, reading from the holy Bible, a prayer dance and performances by the school choir. This was followed by the general introduction of the school and oath taking by the teachers. Rev. Father Principal, Fr. Joachim Xess addressed the enthusiastic tiny tots and their parents and gave his blessings for the enriching year ahead.

INSTALLATION CEREMONY

'Why fit in when you were born to stand out!'
St Conrad's Inter College bestows
upon its students the ability to be
the future leaders of the world.

The Installation Ceremony reminds us of the trust and confidence that we repose in our newly elected cabinet.

Donning the mantle of responsibility, the cabinet, on 14th May, 2022, pledged to dispense their duties to the best of their abilities and abide by rules and regulations of the school.

The ceremony began with the most anticipated moment, the marching of the newly appointed cabinet towards the stage where they received their badges from Father Principal, Fr Joachim Xess; Father Vice Principal, Fr. Jyoti Prakash Tigga; Fr. Manish and the senior staff members.

Father Principal, Fr Joachim Xess congratulated the freshly appointed Cabinet members and emphasized on the values that they must inculcate while discharging their duties throughout the session. The event ended on a solemn note of positivity and exuberance with the parents taking initiative and appreciating the schools' diligent role in grooming the talented cabinet members and congratulating the staff for the great ceremony.
